

## Colourful Anodised Aluminium Jewellery

Date 12 Sept  
10am – 4.30pm

Cost: £75 includes some great tuition, a stunning venue and a tasty two course lunch with home baked bread and cake. Tea and coffee throughout the day.

Additional material fee of £10 includes 10–15 pieces of aluminium (including lengths for cuffs/bangles) and use of all pens, inks and dyes. All equipment is provided.

If you have any special access/food or disability requirements, please contact us by email: [info@farmpods.co.uk](mailto:info@farmpods.co.uk)

### Course Description:

Join us for a splash of colour in this exciting and playful process. No experience needed, just enjoy experimenting with felt pens, stamps, paint brushes, inks and dyes to transform aluminium with beautiful colours and patterns. In the afternoon you will learn how to create jewellery from some of your patterned metal using conventional jewellery tools. By the end of the session you will have learnt new skills, have a collection of samples to take home alongside some finished earrings, bangles, or pendants.

Initially inspired at night school and by a visit to the creative town of St. Ives, **Heather Fox** spent four years at North Wales School of Art studying for a degree in Jewellery and Metal Work. Whilst at college, she set up her own Silver Jewellery business in 2007. Heather has exhibited her jewellery in a wide range of galleries and prestigious craft fairs, as well as selling on-line. She also started to teach part time on evening classes and discovered she had a natural talent. She has now opened her own successful studios in Warrington and runs classes there.

### What to bring

*Closed toe shoes*

*Clothes that aren't precious or an apron*

*A pen/ pencil and notebook are useful*

*Glasses if you need them for close work*
